To James Bacon and all Councillors
Hastings Borough Council,
Muriel Matters House
Hastings

30th January 2023

Dear Councillors,

I acknowledge receipt of your demand to pay council tax and confirm that I have settled £200 in a discretionary, revocable, conditional trust together with a promissory note for the balance, and as the appointed trustee will pay this money to you, the Primary Beneficiary on the condition that before the end of this financial year (05/04/2023) you have provided me with incontrovertible evidence that:

- (i) Britain's involvement in the criminal wars, war crimes, crimes against humanity and genocides, detailed in Paragraph 2 of the attached Deed, have ended;
- (ii) criminal proceedings for crimes of genocide-by-killing have started against those responsible for Britain's illegal wars and experimental vaccination programme;
- (iii) HM Government is acting in full accord with the UN Charter, the UN Declaration on Principles of International Law and the Nuremberg Code; and
- (iv) I have received a guarantee of immunity from prosecution now or in the future for offences related to the payment of money (taxes) to HM Government.

I remind you again that **your claim** that *none of the money paid to the Council goes for purposes of terrorism is false and incorrect*. HM Government's website states:

The Consolidated Fund (CF) was first set up in 1787 as 'one fund into which shall flow every stream of public revenue and from which shall come the supply for every service'.

I have enclosed with this letter an article that explains the duty to withhold tax, as well as a copy of my Declaration and Deed of Trust and withdrawal of consent to illegal taxation.

Should you and/or His Majesty's Government fail to meet the terms and conditions in the Trust Deed by April 5th 2023, I, as trustee, shall pay the money in trust to the Secondary Beneficiary and free the Trustee and settlor from all obligations to pay money to you.

Yours faithfully

Encl: Declaration and Deed of Trust,
